Scarborough, ON • Canada

Objective

I excel in communication to use my skills effectively in the workplace. My creative writing and copy editing skills supplement a background in 2D print, book, and web design. I often insert feminist politics into my work and enjoy partaking in fan-related endeavours.

Experience

Fanlore Graphic Designer • Sep 2019–Present

Organization for Transformative Works • International Non-Profit

- Volunteer graphic designer for wiki and social media.
- Responsible for creating graphics in collaboration with Fanlore Committee for various projects, events, and other collateral.
